

Health Effects of Environmental Pollutants pages:

- 284 Florida fertilizer waste lagoon  
285 [photo]; wall break in fluoride-containing waste lagoon

Fluoridation and Truth Decay pages:

- 5 fluoride a waste product  
5 Alcoa's Vancouver, Washington, plant dumped 1,000 to 7,000 lb of fluoride waste into Columbia River monthly  
6 fertilizer industry underprices aluminium industry  
12 cheaper to pay fines than control fluorides — Reynolds Aluminium Co spokesman  
13 15,000 pounds/month discharged into Miami River by Fernald, Ohio, Atomic Energy Commission plant  
13 hazards and problems of fluoride in rocket propulsion  
13 options for fluoride disposal  
15 Dr Luther Gulick and pollution of California's harbours  
31 Nebraska Health Commissioner Dr A L Miller wonders aloud to Congressional Committee about how Ewing became Federal Security Administrator and whether Alcoa "might not have a deep interest in getting rid of the waste products from the manufacture of aluminium products"  
41 industries lose liability for dental fluorosis  
41 Provo, Utah doctor elected to State Legislature  
47-8 article by Bellack and Baker  
121-2 1972 "Clean Seas Pact" loopholes  
122 fluorine nerve gas "kicker"  
122-3 fluoride in freshwater declared a pollution hazard  
123 fluoridation circumvents clean seas pact  
123-4 permissible level in lakes, rivers and ocean bays  
124-5 US Steel and du Pont discharges into Grand Calumet River

Fluoridation and Truth Decay continued;

- 125 fluoride and phosphate pollution in Tampa Bay, Florida  
125 Borden Chemical Co sued for fluoride pollution of Florida harbour  
125-6 fish kills in Placentia Bay; fishermen refuse ERCD's offer of \$300,000 compensation fund  
126 ERCD fluorides find a market  
135 disposal problems of aluminium, steel and fertilizer industries  
163-4 no affluence without effluents  
187-9 recommended measures in the war on fluoride pollution

The Fluoride Question pages

- 7 dentists deciding on matters outside their knowledge  
16 industrialists wish to keep fluoride waste problem a secret

Environmental Fluoride 1977 pages:

- 17 no data found by authors on solid wastes pollution of surface and ground water  
15-30 kg CaF<sub>2</sub> sludge per tonne aluminium made safe disposal of high-fluoride wastes from nuclear reprocessing  
polluted soil also considered solid waste  
26 "seepage and leaching from solid and liquid waste disposal sites can cause serious pollution of run-off and ground waters"

Environmental Fluoride 1977 continued:

- 107 overview and recommended research for the future  
airborne fluoride output in Canada and North America  
amounts discharged as wastewater several times  
larger than amounts discharged as air pollution
- 110-111 recommendations of NAS report  
on research for the future:
- 111 on chronic effects upon marine life at low levels

Fluoridation 1979:

Scientific Criticisms and Fluoride Dangers pages:

- 284 industrial waste in Port Phillip Bay

Fluoride in Australia \ A Case to Answer pages:

- 55-6 cheaper to pay fines than to control fluoride  
wastes, says Reynolds Aluminium Company
- 58 1.7 tons/day of fluoride wastes dumped into  
Corio Bay, Geelong, by ALCDA
- 67 majority of research on fluoride sponsored by  
industries with serious fluoride pollution problems

Fluoride \ The Freedom Fight pages:

- 157 fluoride price before and after fluoridation
