

Fluoridation and Truth Decay pages:

- 13 options for fluoride disposal
15 Dr Luther Gulick and pollution of California's harbours
121-2 1972 "Clean Seas Pact" loopholes
122 fluorine nerve gas "kicker"
123 fluoridation circumvents clean seas pact
123-4 permissible level in lakes, rivers and ocean bays
125 Borden Chemical Co. sued for fluoride pollution of
Florida harbour
125-6 fish kills in Placentia Bay; fishermen refuse ERCD's
offer of \$300,000 compensation fund
181 concentration of fluoride by boiling

Environmental Fluoride 1977 pages:

- 16 data on discharges to oceans "not plentiful"
17 "large quantities of fluoride are being discharged to
waterways"
26 36% of the fluoride entering Narragansett Bay,
Rhode Island, from fluoridation of water supplies
26 ocean total fluoride nearly constant at 1.35-1.4 mg/l
ocean fluoride-chloride ratio of 6.71 +/- 0.07 x 10⁻⁵:1
use of F:Cl ratio to estimate fluoride pollution
F:Cl up to 9.05 x 10⁻⁵:1 in Tokyo Bay
26 F:Cl ranged from 13 to 1500 x 10⁻⁵:1
(av. 158 x 10⁻⁵) in Kitimat Harbour,
with fluoride concentrations from 0.10 to 11.0 mg/l
26/28 source of high F:Cl ratios in Howe Sound unknown

Environmental Fluoride 1977 continued:

- 28 discharge and deposition of fluorides into Tampa Bay,
Florida, resulting in thermal effect at fluorite;water
interface, and absence of all living organisms in the area
110-111 recommendations of NAS report
on research for the future;
111 on chronic effects upon marine life at low levels

Fluoridation 1979:

Scientific Criticisms and Fluoride Dangers pages:

- 220 will fluoridation affect marine life in
Port Phillip Bay?
263 chemical build up in Port Phillip Bay
284 industrial waste in Port Phillip Bay

Fluoride in Australia \ A Case to Answer pages:

- 58 1.7 tons/day of fluoride wastes dumped into
Corio Bay, Geelong, by ALCOA

National Fluoridation News issues:

- XV 4 Jul-Aug 1969 Placentia Bay
XV 5 Sep-Oct 1969 Placentia Bay
XXII 2 Apr-Jun 1976 Massachusetts Bay
XXX 4 Winter 1984-5 Portland, Oregon
