

Fluoridation: Errors and Omissions in Experimental Trials
2nd edition pages:

87-88	unexplained exclusion of data
88-89	data not published
104-105	astonishing omission of reduction in control city

A Struggle With Titans pages:

20	Rapp article not published
21	withdrawal of objections
52-4	submission of author's article to JAMA
	Commission on Chronic Illness
	attitude of New England Journal of Medicine
82	Kettering Lab findings on Donora disaster not published
97	proponents avoid open debate
133	USPHS grants abroad
163	article submitted to Michigan State Medical Journal
194-5	secret commencement of fluoridation
212-3	lung tissue analyses
226-7	requests to present data denied
235	selective quoting of Taylor research
236	New Mexico work declared "hopelessly out of date"
	Texas U Vice-President denies responsibility
236-7	control by grant
237	poll of local medical society members unpublished
	reversal of research findings on kidney stones
237-8	reversal of research findings on periodontoclasia and renal disturbances
238	PHS drop grant to R Feltman

238-241 Rapaport studies
242 students of fluoridation unaware of censorship
findings from Samoa not published in PHS journals
research on sterility in chinchillas unpublished
242-3 report on fluoride elimination not fully published
243 Utah air contaminated area report not presented
243-4 one more example
244-5 October 5 1963 editor supported "vital programme"
245-7 by medical societies
247-8 Dr Dean gets all Dr Velu's reprints
248 US dentists buy up reprints six at a time
249 control by grants
270 JAMA unlikely to publish letter critical of
proponent research
273 Dental Abstracts fail to name journal
273-4 rejection of author's article "Fluoride in
Clinical Medicine"
276 Rome conference plans wrecked
280-1 presence of aluminium company scientists at
Bern conference
285 publishers abandon Transactions of Gurten Conference
288 careful scrutiny reveals shortcomings in
pro-fluoride research
290 sick children excluded from elimination study
294-5 faulty design of Derryberry study
295-6 faulty design of Bartlett-Cameron study
296-7 forgotten man in Derryberry study
297 forgotten man in Zipkin report
301 Dr Princi disregards Siddiqui report
305-6 Dr Lengemann changes his mind
311 expert witnesses for opponents hard to come by

A Struggle With Titans continued:

Fluoridation and Truth Decay pages:

Fluoridation and Truth Decay continued;

- 68 punishment of Dr U L Monteleone and censorship
 - 68-9 DHEW threaten to withdraw \$1.1m grant to
 Chemical Abstracts unless Dr Yiamouyiannis silenced
 - 74 self-serving official moratorium on clinical research
 - 76 fluoridationists avoid debate
 - 85-6 experts warning against fluoridation, then recanting
 - 90 non-publication of Dr Posen's report
 - 102 Dr Horowitz ignores disastrous findings on
 fluoride therapy for bone disease
 - 110 fluorosed teeth are to be called "rampant caries"
 - 122-3 fluoride in freshwater declared a pollution hazard
 - 128 politicians refuse to admit fluoride the
 culprit in Garrison, Montana
 - 128 US Steel steel and zinc works at Donora, Pennsylvania
 - 128 report on role of fluoride in
 Donora disaster "out of print"
 - 129 chemist Sadtler not allowed to testify in
 court case on Donora disaster
 - 129-130 Senators turn deaf ear to fluoride pollution
 - 136 EPA call for more research a delaying tactic
 - 148 UC researchers "turn off" Congressmen
 - 155-8 report on fluoride pollution from
 Anaconda Aluminium Company in
 Glacier National Park, Montana
 - 159 public expected to publicise fluoride air
 pollution facts
 - 160 opponents called "fright peddlers"
 - 167-8 note gets past the censors
 - 168 UFDs take the rap for fluoride for
 second time in Birmingham, Alabama
 - 185 Rockefellers' control of news by advertising revenue
 - 185 how doctors and dentists are kept in line
 - 186-7 suppression of truth about fluoridation
-

Fluoridation and Truth Decay continued:

The Fluoride Question pages:

The Fluoride Question continued:

82 R Fulton on Editor of JAMA
137 sudden cut in grant to Washington State University from
National Institutes of Health

Fluoridation \ The Great Dilemma pages:

xxiv science takes a back seat; DHEW about-face
301 no need to publish incriminating findings
305 "confidential information"
333-5 rejection by medical journals a tool for
347 why the ignorance? — summary
363 fluoridation and government
John Small
368 PHS, EPA and NCI
368-375 science's Watergate
368 suppression of reputable data in almost
every proponent argument
by American Medical Association
369 by American Dental Association
by British Dental Association
by the Royal College of Physicians
369-370 RCP ignores Cook's report
370 Editor of U Ottawa Med J comment
Dean Burk's comment on Rogot study
371 omission of Burk-Yiamouyiannis study deliberate
deliberate omissions in NRC report
371-2 rejection by Archives of Environmental Health
372 Manocha study criticized by Taves before he read it
372-3 by JAMA

373 denial of corrosion
recommendations
areas of decay of scientific inquiry
374-5 science's dilemma
375 "all the negative evidence in the
world cannot penetrate an ossified mind that
refuses to be 'confused by the facts'"

Scientific Criticisms and Fluoride Dangers pages:

23-33	repressive actions
23	discouragement of discussion
26	repression and abuse of opponents
29	the suppression of published evidence against fluoridation
31	difficulties in publishing new material which questions fluoridation

121-123	IARC and NCI cancer cover-up
123	John Small
123-127	NIDR and NCI cancer cover-up
127	NIDR chromosome damage cover-up
131-133	NIDR and NHLBI cancer cover-up
133-134	CDC cancer-cover-up
134-136	ADA/EPA cancer/dental/skeletal fluorosis cover-up

Fluoride in Australia \ A Case to Answer pages:

- 11-12 book aims to "de-mask" fluoridation
- 15 opponent scientists' channels of protest dry up,
 face risk to careers and reputations
- HEW research grants stifle opposition — Nader
 AMA/ADA censorship
- 21 no answer to questions about fluoride origins,
 impurities and effects in Medical Journal of Australia
- 22 campaigns to promote fluoridation, quash doubts and
 discredit opponents
- 32-33 data omitted in Sydney and Bunbury-Bussleton study
 no controls in most Australian fluoride-carries studies
- 38 1968 Tasmanian report explains away endemic skeletal
 fluorosis in India, Arabia, China, Algeria and S Africa
 by discussing these under a separate heading
- 43 Victorian Committee of Inquiry dismisses
 air pollution in one paragraph
- 74 research grants and the structure of science
- 75 American Medical Association dissolves Council on Drugs
- 86 withholding information as a social anaesthetic
- 88-9 reluctance of Australian fluoridationists to debate
- 89 Australian Dental Association try to
 stifle ANZAAS symposium on fluoridation
- 90 Australian Dental Association complain after
 Diesendorf radio interview
- 95 rejection of Diesendorf article by New Doctor
- 118 deletion and misrepresentation of arguments against
 fluoridation in Flynn's 1964 report to NSW government
- 118-9 deception of NSW government over Exner's views
- 119 1964 Flynn report described by Exner as "the strangest
 mixture of illogic, speculation, contradiction,
 misquotation, incompetence and just plain fraud"
- 119 errors and omissions dismissed "in the light of
 the recent Fluoridation Reports from Britain and
 the Netherlands"
-
